

## Annual report Hungary

### Activities for Hungarian Veterans 2020-21 season.

The Hungarian fencing association chose dr Eszter Vitályos as chairman of the Veteran committee. Mr. Boros Péter is still a contact person.

In early 2020. we had a few tournaments, from March not even one. All the competitions were left out of the calendars, including qualifiers, NC, EC and WC.

In 2020. for the first time, the EUROPEAN VETERAN FENCER OF THE YEAR award was presented! Due to the virus situation, the EVF series of 4 competitions per weapon, announced in 2019, has been shortened. On May 1, the European Veterans Fencing Committee closed the rankings and announced the winners based on the points so far. Out of the 24 possible titles, three Hungarian veteran fencers won 3 titles.

Who we are very proud of:

- Andrea Bernát (UTE) 40+ female foil
- Ildikó Fellegi (OSC) 60+ female foil
- Hoffman Ibolya (Győr) 60+ female epee

Competitions in 2020.

National championship – cancelled.

EC - cancelled.

Balaton Championship - cancelled.

Both the foil and epee EVFC & International Veterans Competition 2020) - Törökbálint cancelled.

World Cup - 2020 Porec (CRO) cancelled.

Due to the favourable virus situation and high vaccination rate in Hungary, we successfully organized a “Returning” veteran competition on June 12-13, 2021. We hope that this year’s World Cup 2021 will be held, and we strongly hope that from September 2021-2022 the competition season return to the normal schedule.

#### **Schedule of competitions 2021. Hungary**

International Veteran Balaton Cup, (3 weapons) – 28-29. August, Balatonboglár.
