

Report on the veteran activity of the Sabljaška zveza Slovenije (Slovenian fencing Association) for the year 2023

In the competition year 2022/23, the SLOVENIAN VETERANS FENCING LEAGUE is taking place under the auspices of the Slovenian Fencing Association.

In 2022/23 veteran fencers were fencing at:

- World veteran championships in Zadar
- At EVF circuits (Budapest, Graz, Munich)

The Slovenian Veterans League takes place once per month, alternating according to weapons. Nine matches are planned (7 already completed), three for each weapon (saber, epee, foil). The end of the league will be on May 13, 2023 in Kamnik.

The Slovenian Veterans Fencing League is open, so veterans from other countries, such as Italy, Austria, Croatia, Serbia, Ukraine, Belarus and Kazakhstan, also have competed. There are around 30 male and female competitors in all categories.

If you need additional information (time tables, results), do not hesitate to contact me.

On June 4 2023, the Slovenian National Championship for Veterans will be open to foreigners for the first time. Veterans from all other countries are also invited.

Darko Knez,
representative of veterans at the Slovenian fencing Association
