EUROPEAN CHAMPIONSHIPS VETERANS TEAMS CINEY 2024
REPORT OF THE BELGIAN REPRESENTATIVE

Dear all,

The number of veterans in our country is at present still on about 80.

As usual, we organised the national championships, they were successful, and already again all people attending them were very satisfied about it.

Indeed, people fence a maximum.

We still keep trying to fence in “poule unique”.

Unfortunately, we have to face some resignations, like each year, often without reason.

Most of the time, they come back afterwards.

We had again a EVF circuit tournament on sabre in Liege the first we of April last.

There were slightly less participants, partly due to the fact that some countries also organised an EVF or other tournament on the same date.

As already told last year, as EVF has asked countries for organising more competitions, the fear is that these EVF circuit competitions will have less participants than now.

We are proud to be able to organize the European championships by teams in Ciney from 9 to 12th may, after have been cancelled in Brussels in 2020, du to the corona pandemic.

111 teams will participate, Belgium has 7 teams.

In the meantime, take good care of yourself and your loved ones, and be careful !

Wish you good receipt and hope seeing you all in Ciney !

Best wishes
