

## PDFEuropean Veterans Fencing 2025 Congress - Plovdiv

---

### ***SECRETARY'S REPORT***

---

This has been another busy year for veteran fencing in Europe and the number of participants in competitions is continuing to rise which is great to see. I have continued to be the point of communication for all the European Countries dealing with correspondence and enquiries. I have been continuing to assist Caryl all year and supporting her administratively while she has been undergoing treatment.

I maintain the contacts on the website and keep them up to date and add in the country reports that are submitted.

Karen Grant

Secretary European Veterans Fencing

19/5/25
