Amazing Places to Fence

Location Scouting for outdoor Fencing Circuit

Exceptional locations offer exceptional experiences. We are looking for places, which can provide that ‚once in a lifetime' feeling.

Competitions at these unique locations are community driven and focus on networking and good vibes.

We share our experiences and help with the organization

- **Location scouting tips**
- Look for the WOW feeling
- Surroundings and area can be also interesting to the participants
- Be mindful about the safety of the fellow fencers (mountains, waterside etc)
- At least 3 pistes
- There is additional space for spectators (or somewhere near the place)

Inspirational locations from the past, see slide show on the next pages
